WALKS USING THE CAMBRIAN COAST RAILWAY FROM/TO PENHELIG RAIL STATION

Our favourite circular walks from stations, and walks between stations on the Cambrian Coast Railway will be progressively added to our website. These walks include enjoying a scenic train journey from Penhelig Station a few minutes walk from Aberdovey Hillside Village. Below are four local walks you can follow by taking the train to/from Tywyn Rail Station with walks to/from Aberdovey Hillside Village directly or using as well the Tallyllyn Railway to/from the Rhyd-yr-onen, Dolgoch and Nant Gwernol Stations. There is a bus service from outside Tywyn Rail Station to the bus stop at St Peter's Church in Aberdovey No 29 Bus, so going by bus is also an alternative option to the two hour service that the Cambrian Coast Railway offers. The No 29 Bus service can also be used to take you to Aber-Tafol to enjoy walks back from there to Aberdovey Hillside Village.
